Inspectors are listed in alphabetical order. All have their own pricing and disclosures.

Please let me know who you would like to use by checking one of the boxes above.

If you have a preferred day of the week and/or range of time that you would like the inspection to be completed on please let me know: \_\_\_\_\_ . Otherwise, I will arrange for the first available time/day that the selected inspector has available.

Though I know that Aloha Paradise Realty Inc. strongly recommends a Professional Home Inspection I have declined to have an inspection done on the property I am purchasing.
